Leadership Link magazine is published by our National AWM Leadership Team and is sent to pastors' wives and women's ministry leaders. Articles encourage women in fellowship, discipleship, outreach, missions and prayer.

In addition, a short Bible Study is included annually. Supplemental information for the Bible Study and theme can be found at www.alliancewomen.org. In addition, you can be encouraged monthly via email messages called **E-Links** from the National AWM Leadership Team. Both are valuable resources!
