

Women's Ministry Planning Worksheet

Use this tool to help you in a variety of ways:

1. Prepare your upcoming year with activities for each objective
2. Evaluate mid- year to see your strengths and weaknesses, and make changes where necessary.
3. To keep a record of ideas and activities you may want to do another year.

Discipleship To encourage study of God's Word, teaching women to follow Christ and to be built up in their faith.	Fellowship To build healthy, caring relationships among women in the local church.	Missions To involve women in the worldwide ministries of the Alliance through intercession, short-term missions, support of overseas workers and their families, and an annual project that serves specified needs in various countries.	Outreach To equip women to share God's love and the message of the gospel with family, friends, and neighbors.	Prayer To promote corporate and individual prayer for Alliance overseas workers, the ministries of the local church, church planting in the United States, and prayer for individuals.
